

WE MAKE YOU VISIBLE!

OUR OUTDOOR ADVERTISING REACHES YOUR AUDIENCE

People are always on the move: shopping, visiting the doctor or going to a concert. Good news for your brand. Outdoor advertising from stadtbild puts you where your audience travels. With a nationwide network and precisely located media, stadtbild places your brand along your audience's daily routes. For every application, industry and brand, we propose a data-based out-of-home strategy that secures the best possible coverage and attention. Get your campaign onto the streets and into people's memories.

WE MAKE CULTURE VISIBLE THROUGH OUTDOOR ADVERTISING

Theatre professionals, musicians and arts organisers all depend on audiences and attention. Not only because applause lifts the artist's spirit, but because visitors generate revenue. We understand that: our own roots are in culture. Two things distinguish us: a heart for cultural organisers, and the right outdoor media to make every cultural event known where its audience lives.
